

Reinforced PVC Braided Hose

30m Coils

PVCB reinforced braided hose is a quality product range offering both high working pressures and extreme flexibility.

This hose is suitable for a wide range of industrial applications including factory airlines, pneumatic and hydraulic applications, food and drinks industry, chemicals and water.

Technical Data

Standard Coil Lengths

30 metres

Other lengths available on request

Materials

PVCB is manufactured from crystal clear PVC compound, and is reinforced with 1000 denier polyester fibre yarn

Operating Temperature

-15°C to +60°C

Working Pressure

Values stated are based on the short term burst pressure of PVC at 20°C using a 3:1 safety factor.

For data over 20°C, contact our sales office

Bend Radius

For information regarding this data, contact our sales office

Chemical Resistance

Resistant to most oxidising and reducing agents including dilute acids and alkalis.

For further information, contact our sales office

Approvals

Raw materials used have FDA, BGA and BIPRA approval for use with food stuffs

Technical Advice

For assistance, contact our technical office or your local Camozzi distributor.
